

March 23, 2020

With the everchanging restrictions enforced to slow the spread of the Covid-19 virus, Northern Livestock Sales will continue to provide livestock marketing services for area producers. While adhering to the protocols set forth by Provincial and Federal orders pertaining to the control of the Covid-19 virus, NLS will remain open for business and will continue with regularly scheduled sales.

In an effort to not impede and ensure the normal marketing of cattle, these changes in conduct have been implemented:

1. Cattle must be pre-booked for delivery.
2. Our restaurants are closed to the public.
3. Our office counters are closed to the public. Cheques will be mailed out or can be picked up by arrangement.
4. Sales ring has been restricted to sales staff, buyers, sellers and livestock inspection staff.
5. All cattle will be available for viewing prior to sale time.
6. Buyers attending sales will be limited to one per operation and will be accommodated within the restrictions of the 'Order'.
7. All sales will be made available to view & bid online at www.dlms.ca.
8. Please adhere to all signage at facilities.
9. Please show respect to others by practicing social distancing (2 meters) at all times.

At NLS, we highly value the health and safety of our customers, employees and others that work within our facilities and we thank you for your understanding during this State of Emergency.

Regards,
