Bred purebred red and black angus cows will sell, bred to industry leading Fleck Semi Bulls. We are so confident in these solid young cows that we will pay a \$500 premium over market price for every bull calf you sell back to us in the fall. Talk to Mac. Photos/Videos on our website in November

**Big Guttred, Big Girthed, Moderate Sized
Do-It-Yourself Females**

**PLUS a sweet little
package of purebred
Charolais heifers**

Super Sisters

- sisters to our industry-leading hybrid bulls... all produced "on ranch"
- true F-1's... pure bred both sides
- reputation consistent genetics
- best we produce... none retained
- red/black angus x simmental "superbaldies"
- red/black angus x gelbvieh ("super guppies")
- hereford x simmental H2's
- you can buy "put together" heifers anywhere, but ours are unique
- "one-iron" crossbred genetics
- "hassle free"... we'll organize the shipping right across Canada
